"Value Learning, Learning Values"

Term 3 Week 5

Principal: Clare Pritchard

Friday 24th August, 2018

Principal's Message

Here it is, Week 5 already! This term is going quickly and the students and staff have been working hard to make sure we get as much learning time in as we can in addition to all the extra curricular opportunities our students are participating in.

Our Wakakirri troupe wowed their audience once again this week performing "Steve goes to Carnaval" for the Women's International Club Luncheon on Tuesday. Our Stage 2 students have returned from a very successful camp where they rose to great heights — literally — facing the vertical challenge, the tree climb and the giant swing.

Best wishes to Mrs Frame and her **Southern Stars** ensemble as they head off to Wollongong next week to join this year's Southern Stars performance "Iconic". This year's performance promises to be yet another fabulous event.

Students and staff are busily planning their **Book Week** costumes. The theme for this year is "Find your Treasure". Our parade is to be held on Wednesday morning, 29th August at 9:30 am. It is a K-6 event and we expect some wonderful costumes related to some fantastic and 'treasured' stories to be parading around.

On Friday morning, 31st August we will host our **Father's Day Breakfast** from 8:30am. We hope you can drop in to enjoy a cooked breakfast and time playing games with your children. Later in the day all students will visit our **Father's Day Stall** and have the opportunity to purchase a small gift to give to Dad or a special friend on Father's Day. Students are reminded to bring their coins to spend at the stall.

On Saturday 1st September we look forward to the **Sutton Spring Fling**. Students are encouraged to enter artworks, baking or photographs in the Mini Show and families are warmly invited to dance the night away at the Bush Dance to be held in the Sutton Hall. Tickets are available from the Baker and Sutton Store.

ParentWorks

ParentWorks is a **free** online program for Australian parents and caregivers of children 2 to 16. It provides **evidence-based** parenting strategies to improve parenting skills, confidence and child behaviour. This means that the strategies in the program have been tested and found to work.

Parents and caregivers may find this program helpful for:

Managing challenging child behaviours such as tantrums, aggression, noncompliance, inattentive or hyperactive behaviour, sibling conflict, getting ready for school and/or bed, and behaviours outside the home, such as problems in the supermarket

So for some of our parents it may be appropriate to help manage some difficult behaviours in their children.

If anyone would like to trial it with their children it would be good to get feedback.

Book Week Parade

Dress up as a book character day is on Wednesday 29th August. Families are invited to come and watch the assembly and parade at 9:20am.

Please note that there will be NO Assembly at 2.30pm on this day.

Communication Survey

In an effort to streamline our communication methods for easy access of information, we are asking parents and community members to take part in a communication survey. The link is also available on Skoolbag and our website. We appreciate your feedback!

Play basketball this summer!

Do you want to play basketball this summer? Or just want to try a new sport?

On Tuesday September 4 and 11 Stuart Whitten (and some happy helpers!) will be running a 'come and try basketball' session after school for years 3 and up. The boys and girls who played last summer are very keen to play again and we hope to have at least one boys and a girls team from Sutton playing with Ginninderra Rats in the Canberra Competition again this summer. As in previous years we will train at Sutton school afternoons initially and moving to mornings when the heat hits. Any year 1 or 2 children who are interested in playing should get in touch with Stuart too.

For more information please contact Stuart on 0409688073 or stuart@whitten.id.au

Voluntary School Contributions

Voluntary family contributions have been set for this year at *\$100 for one child and \$130 for multiple children* attending the school.

School contributions are voluntary - not compulsory. Payment is a matter for decision by parents and the school will ensure the confidentiality of all matters dealing with the collection of contributions. If you would like further information, or would like to discuss this, please do not hesitate to contact the Principal. We are most grateful for your support.

Head Lice

Head lice have again been reported in the school. Please examine your child's hair and if needed treat with a number of solutions which are available from the chemist or supermarkets. Alternatively you could use the conditioner treatment with the head lice comb. You will need to treat your child for 7 continuous days.

Supporting Our Farmers!

A collection point for items of assistance to donate to drought stricken farmers has been placed in the front office. **Items welcomed include:**

Non-Perishable Food, Pet Food, Personal Hygiene Products, Milk Replacement for calves and lambs, Fuel Vouchers, Other Necessities.

Thanks for your generosity.

MURRAMBATEMAN FIELD DAYS

20th – 21st October

Volunteers are once again needed to help out at Murrumbateman Field Days. This is a great way to spend a few hours in the fresh air, raising money for our school.

If you are interested in helping, please contact
Sophie Davis on 0455 756 127 or email
parcelpickups@hotmail.com

If you would like to **volunteer** or discuss any of the P&C fundraising or events, please contact Linda Uzubalis on 0410 294 420 or suttonpublicschool-fun@pandcaffiliate.org.au

Are you planning on going to the Murrumbateman Field Days? Sutton School needs your help!

For the last five years Sutton Primary School P&C has been given the opportunity to run the Parcel Delivery Service at the Murrumbateman Field Days. This is a great fundraiser for our school with the potential to raise a lot of money. We are running it again this year and we need lots of volunteers. Field Days management have asked us to run two cars again this year which requires a considerable number of volunteers.

This will be a great opportunity to meet other parents and raise some funds for the school. We can make this year the best one yet. If you are not sure go on the field days website... It looks like another amazing year this year.

What is it?

When Field Day Patrons purchase items from Stalls that they don't want to carry around all day, they phone our service. We send a ute to the stall, collect the item and take the item to one of our Pick-up Bases at two entrance gates. Later when the patron is ready to leave they drive their car to the entrance gate and pick up their item and pay a fee.

When is it?

Saturday, 20th and Sunday, 21st October 2018

What will volunteers have to do?

We need at least two people per car - collecting goods from stalls and dropping them off at the Pick-up Base. We also need people to man the Pick-up Base - taking phone requests for pick up and checking collections. There will be an appointed coordinator (Sophie Davis) on hand to manage everything over both days.

How long will you need to be there?

We are running 3 x 3hr shifts per day

Sat 9.00 - 12.00

Sat 11.30 - 2.30

Sat 2.00 - 5.00

Sun 9.00 - 12.00

Sun 11.30 - 2.30

Sun 2.00 - 5.00

What's in it for you?

If you are able to help us out for a few hours at the field day, entry for volunteers is free. This is a great opportunity to get along and have a look at what the field days have to offer and help out your school at the same time.

If you are able to help us out, please contact **Sophie Davis** on **0455 756 127** or email parcelpickupsps@hotmail.com Thank you!

Sutton Before and After School Care

Term 3

Welcome back to Term 3! We are very excited to be working with our current children and families and we also give a big welcome to our new children and families.

We would like to welcome a new permanent staff member at Sutton, Shannon. Shannon will be working with us BSC and ASC, Monday-Friday.

This term we look forward to experimenting with new activities that are planned around the children's interest. We are planning to program more cooking activities throughout the week and also experimenting with messy play.

Kindergarten Orientation Day

We were very excited to be apart of this years Kindergarten Orientation Day. We enjoyed meeting the new children and families and also current families. A reminder to new families, don't forget to make contact with the Office to enrol for 2019.

Sporting Equipment

Totem tennis has been a hit so far in BSC and ASC this term. Located in the courtyard the children are able to play with them in the morning and afternoon. The children have also been enjoying playing dodgeball. In the hall. It has been a great opportunity for them to be in teams and interact with each other as a group.

Cold Weather

As the weather is a lot colder in the last afternoons now, as the sun disappears from our courtyard. Students will be asked to wear jumpers once it gets cold, so please try and remind your children to pack a jumper into their bags for these times!

Inside Activities

Students have been enjoying our new construction activities this term. We have introduced Playstixs and straw connectors. Children have been constructing towers, cars, houses and their own creations out of the Playstixs. The straw connectors have been used to create bigger objects. These include forts, castles and even Dinosaur enclosures where the children pretend to be dinosaurs and rangers.

Vacation Care

The October Vacation Care at Sutton will be closed. We hope to see you in the December Vacation Care at Sutton. If you have any concerns or inquiries please contact the YMCA Head Office on 6242 4040.

Lost Property

As the weather gets colder, please remember to keep checking the lost property! A lot of students have been forgetting to put their jumpers in their bags.
