Principal's Report

How cybersafe are you? Does your child have access to the internet at home? Do they have access via their phone? Are they allowed to search the internet freely without your supervision? This week all students, staff and attending parents participated in a cybersafe workshop delivered by Adjunct Professor Nigel Phair of the Institute for Cyber Safety. It is of vital importance that we teach our children about impacts of being cybersafe and responsible participants in the online environment.

This is a very real and current issue with so many young and vulnerable people having access to devices and Internet access. This involves social media as well. There are many age restrictions on certain Apps and social media sites. Parents need to be aware of these. They exist for a reason. Many of these software packages are trackable and without appropriate settings being applied, locations are easily visible. Here a few of the available sites and their current age limits:

Snapchat – 12 years
Instagram – 12 years
Facebook – 13 years

Cybersafety is a real issue. Apart from perpetrators, there are also so many examples of cyberbullying that students need to be aware of. There are potential dangers of using such software and communications. We often talk to children about stranger danger...what about cyber stranger danger?

As a school, we are committed to educating and promoting safe online practices helping students understand they must conduct themselves in a safe, positive and respectful manner at all times online - as they are expected to do in person. As a parent you have a significant role to play in educating, modelling and policing online behaviour and activity. And most importantly be proactive and educated on the ever evolving cyberworld. If you have any concerns please contact myself or your child's teacher. Valuable information, resources and advice can be readily accessed through the Office of the eSafety Commissioner. ACT State Interschool's Equestrian Championship Competition

A team of 12 students ranging from Kinder to Year 6 proudly represented Sutton Public School in the 2018 ACT State Interschool's Equestrian Championships from the 1st to the 4th of November at the Bungendore showgrounds.

Our team was made up with the following students; *Ryan B, Jack M, Gabrielle D, Sarah Cr, Kayla B, Charlotte A, Jessica, Alistair M, Zahra R, Mia, Ricki M and Tom M.* We had a massive but fantastic couple of days entering in a range of events from Dressage, Jumping, Sporting and Show Riding.

We had a team of four enter an event where they had to ride in unison. They did an amazing job and won 1st place up against 6 other teams consisting of high school and college students. Many of our students placed well in dressage, jumping, sporting and show riding. Our students made it to championship rounds, bringing home champion and reserve champion placings. A number of students also took home champion and reserve champion placings for their overall point scores within their years. We also entered the team fancy dress competition with our "Sutton Super Heroes" and came home with 1st place for that one as well. Each and every team member did an amazing job and brought home many ribbons, trophies and trophy rugs over the course of the event and racked up some incredible points for Sutton.

We are extremely proud to announce that our team took Sutton Public School to the top and we won the title of ACT State Interschool's Equestrian Champions for 2018.

We congratulate each and every rider as your individual point scores and brilliant riding is how we took out the title. We had a fantastic couple of days and absolutely loved watching you all. We couldn't be any prouder to be a part of such an amazing team and event. The sportsmanship of our students was outstanding and something our school and community should be very proud of. Our school colours were worn with pride (even by our ponies/horses) and you all looked amazing.

Rostrum/CWA Talkfest 2018

The fear of public speaking is incredibly common, which means that only a handful of students in any given classroom will feel comfortable enough to voice their true opinions, let alone give a full-scale persuasive speech. But as the world becomes increasingly more complex, students who develop their public speaking skills will find there are many benefits in doing so including overcoming fear, improving listening skills and developing the courage to express opinions.

Students from Year 2 - 6 took part in the CWA/Rostrum Talkfest at Berinba Public School last week. Sutton Public School has supported this event for many years now and our children enjoy the experience. Sutton Public School has been recognised for our commitment and even awarded the best attendance for 2018! Our future looks bright in the field of Public Speaking!! Congratulations to Lily W, Jack D, Comet R, Nalda B, Selena T, Archie D, Ruby-Rose P, Danijela E, Isla D, Abbey B, Sebasitan K, Jessica M and Nick K. We are proud of you for preparing, practicing, participating and representing our school so well. Many thanks also to their parents for encouraging and supporting their children to take part.
