

Sutton Public School Leadership Procedures

Date: November 2018

Rationale: School life provides many opportunities for young people to develop leadership and representation skills. The promotion of students as leaders is a priority of Sutton Public School. Students of all ages are encouraged to accept leadership roles within small work groups, within the class and the school.

Formal student leadership programs provide important benefits for individual students and schools. Through participation in leadership roles, students will learn about and improve their skills in:

- Public Speaking
- What makes a 'good' leader
- Organisational and team skills
- Encouraging and problem solving

At Sutton Public School students have a variety of ways to become leaders within the school setting. Our school encourages these leadership roles to be spread amongst the student body. Students can only take up one of the leadership roles within the year. School Captains are automatically members of the SRC.

At Sutton Public School the leadership roles include:

School Captains (Year 6)

School Prefects (Year 6)

House Captains (Year 6)

Student Representative Council (SRC Years 2 - 6)

Peer Support Leaders (Year 6)

Sutton Public School advocates the following student leadership principles:

- All students have the potential to develop leadership skills
- Students will be encouraged to apply leadership skills to initiatives that strengthen the school community
- Leadership programs can build students' confidence that their views are important to staff and that they can have an influence on what happens in the school
- Student leadership programs will be most effective when they:
 - Are planned and developmental
 - Receive active support from teachers, parents and peers
 - Engage all groups in the school

- Provide fair access and participation for all students including equal participation for boys and girls
- Are perceived as relevant and valuable by the students and the school
