

## EGGcellent EASTER EGGShibition

Dear Parents and Carers,

We are EGGcited to announce that the “EGGcellent EASTER EGGShibition” will be returning this year for students from Years 3-6. Alongside the success of the Infants Hat Parade, the EGGShibition has proven to be a fantastic opportunity for our Primary students to showcase and *EGGSpl*ore their creativity.

### PLEASE EGGSPAIN?

The EGGcellent EASTER EGGShibition will celebrate and showcase students’ creativity in designing and constructing an egg shoebox diorama. Students can choose an “eg....” Or “ex.....” word and turn it into an “egg”. For EGGSample:

- Miss Eggleton – Miss EGGleton
- LEGO - LEGGO
- extreme – EGGstreme
- Explode – EGGsplode
- exterminate – EGGsterminate
- excite – EGGcite

Students are asked to build an egg diorama that portrays the “EGG” word as a theme. The EGGShibition is not compulsory but we encourage all students in Year 3-6 to participate and be as creative as possible.

### WHEN IS IT ON EGGSACTLY?

Students must bring in their EGGShibit to their classrooms in Week 9 (20th – 24th of March). These will be collected by curators and placed in the hall. On Monday 29th of March, the EGGShibition will be open to all classes for viewing. We will look at arranging a time for parent viewings.

On Tuesday 4th April, certificates will be awarded for category winners, at the whole school assembly. Dioramas will be returned to classrooms ready for students to collect and take home, prior to the school holidays, on Wednesday 5th April.

### WHAT AM I EGGSPLECTED TO DO?

1. Students must use a shoebox as the base for their diorama.
2. As Sutton Public School is *allergy aware*, **students will not be able to use animal eggs** of any kind. Plastic or foam eggs would be best suited.
3. Students **must complete** the entry form below and **attach this to the back** of their EGGShibit. This allows us to identify the winners.
4. Students must have their **diorama to school by Friday 24th of March** to be guaranteed inclusion in the EGGShibition.
5. All students will be acknowledged for their participation, however there are six further categories for which students may be congratulated. These are:

- 1-4) EGGsquisite EGGShibit for Year 3, 4, 5 & 6
- 5) The People's EGG Award, as voted by students
- 6) The Sullivan Scramble, as voted by Mrs Sullivan for effort and creativity.

I am so EGGcited,  
Miss Eggleton
