

## 2023 School Magazine

Each year teachers and staff put time into compiling a school magazine as a record of happenings and events from the year. It is a great document to keep, so that in coming years your child can reflect on their educational journey whilst at Sutton Public.

A professionally printed copy will be available for \$29.00. Due to printing costs we require pre-payment and orders.

Order forms should be completed and returned to the school office by Friday 17 November. All payments are to be made online. No cash or cheque will be accepted.

Please note that a **copy of the School Magazine will be presented to each of our Year 6 students** with their graduation certificate.

If you have any questions please email the school office.
