

Year 6 T-Shirt 2024

Dear parents/carers

As you may know, the Year 6 students usually purchase a Year 6 shirt with their names on the back.

We have again this year decided to order before the end of the year so they will arrive early Term 1 2024. We understand some families find this time of year financially challenging and so we would encourage you to speak with the office staff if payment is a concern.

This year the students have chosen a polo shirt in green with a yellow inset. The students have voted for the front and back design of the shirt. These are very nice shirts and special for our year 6 students. They can be worn as school uniform.

We would like to order the shirts as soon as possible. If you wish to purchase a shirt, please fill out and return the order form and payment by **Friday, 3rd November 2023**. Note all payments are to be made online.

The cost of the shirts this year will be **\$33.00** each. You may order multiple shirts and **please order a size that your child can grow into**, often parents order them too small.

Below is the design and a sizing chart to help you order the correct size.
